

Finger Print Corn on the Cob

Materials

- Black or white construction paper
- Yellow construction paper
- Green construction paper
- Green paint
- Orange paint
- Yellow paint
- Glue
- Paintbrush

Instructions

1. Cut a large oval out of the yellow construction paper and two smaller ovals out of the green construction paper.
2. Glue the yellow oval in the middle of the black or white construction paper.
3. Glue the two green ovals slightly tilted in the opposite directions and covering the bottom portion of the yellow oval (see picture above).
4. Have each student paint their thumb green and place green thumb prints all over the green ovals.
5. Have the students wash the green paint off their thumb. Repaint their thumb with orange paint and their pointer finger with yellow paint.
6. Alternate putting yellow and orange finger prints on the yellow oval, repainting the fingers as needed.
