

Paint Sunshine Mix

Teach kids how to mix paint to make beautiful pieces of art!

Materials

- Paper plate
- Paint brush
- Orange paint
- Yellow paint
- Green construction paper
- Tape
- Scissors

Instructions

1. Put blobs of yellow paint in the middle of the plate and place blobs of orange paint along the edge.
2. Take a paint brush and paint straight lines across the circle, mixing the two colors into streaks and filling all of the white space.
3. Cut small ovals for leaves out of green construction paper.
4. Once the paint has dried, tape green leaves on the back of the plate.

Optional - Take this time to teach students about mixing colors!
