

Popcorn Kernel Corn on the Cob

Materials

- An empty toilet paper roll
- Yellow construction paper
- Green construction paper
- Popcorn kernels
- Glue
- Tape
- Scissors

Instructions

1. Cut a rectangle out of the yellow construction paper. The construction paper should be able to wrap fully around the toilet paper roll.
2. Glue popcorn kernels all over the yellow rectangle. Give kernels plenty of time to dry.
3. Cut two ovals out of the green construction paper for leaves.
4. After the kernels are completely dry, tape the yellow rectangle around the toilet paper roll.
5. Tape the green leaves on the back in the same place the rectangle was taped.

This activity is recommended for children over 3 years old. The popcorn kernels may present a choking hazard to young children. Adult supervision is recommended.
