

USDA's three **SUN Summer Nutrition Programs for Kids** offer families more ways to get their kids the nutrition they need when school is out. Lack of nutrition during the summer makes students more likely to fall behind in school and experience health issues.

#### NEED

**3.9K or 100%**  
of students in North Carolina's K-12 schools were eligible for FRP\* school meals

### FUELING CHILDREN & THE ECONOMY

**\$581.1K** in funding to the county from all SUN Summer Nutrition Programs

\$120 per eligible child for the 2025 summer

**4.2K**

Children received benefits in the county

**\$505.6K**

Funding distributed in the county

**Total # of Meals for Kids distributed in the county 17.5K**

**Congregate meals**, eaten on-site with other kids

**10K**

Meals served

**\$43.6K**

NC summer meals funding

**1/1**

Congregate sponsors/total sponsors
