

North Carolina

USDA's three **SUN Summer Nutrition Programs for Kids**

offer families more ways to get their kids the nutrition they need when school is out. Lack of nutrition during the summer makes students more likely to fall behind in school and experience health issues.

COUNTY DATA PROFILE

2025 Summer Nutrition Programs for Kids

Cleveland County

NEED

14.3K or 100%
of students in North Carolina's K-12 schools were eligible for FRP* school meals
