

2025 Summer Nutrition Programs for Kids

Durham County

USDA's three SUN Summer Nutrition Programs for Kids offer families more ways to get their kids the nutrition they need when school is out. Lack of nutrition during the summer makes students more likely to fall behind in school and experience health issues.

NEED

28.6K or **77%**

of students in North
Carolina's K-12 schools
were eligible for FRP*
school meals

FUELING CHILDREN & THE ECONOMY
