

USDA's three **SUN Summer Nutrition Programs for Kids** offer families more ways to get their kids the nutrition they need when school is out. Lack of nutrition during the summer makes students more likely to fall behind in school and experience health issues.

NEED

22.6K or 90%

of students in North Carolina's K-12 schools were eligible for FRP* school meals

FUELING CHILDREN & THE ECONOMY

\$2.7M in funding **to the county** from all SUN Summer Nutrition Programs

\$120 per eligible child for the 2025 summer
